Design Report #3

I.   Time: 26 Hours

II. Accomplishments

    A. Parts are ordered

    B. Final schematic complete

    C. 85% done on PCB

    D. Compared parts with peers

    E. Had schematic reviewed

III. Planned Work

    A. Finish PCB design and find a manufacturer

IV. Project Completion

    A. Hardware: 60%; working on PCB

    B. Software: 0%

V.   Help from Lab Tech

    A. 1/26/2024 - Reviewed final schematic and made recommended changes
